CHICAGO--(BUSINESS WIRE)--Sep. 22, 2026-- GE HealthCare (Nasdaq: GEHC) today announced the appointment of Pascal Desroches, Senior Executive Vice President and Chief Financial Officer (CFO) of AT&T (NYSE: T), a Fortune 50 company, to its Board of Directors, effective January 4, 2027. Mr. Desroches brings more than 30 years of leadership experience across finance, governance, and large-scale technology and digital transformation.

"Pascal is a highly respected executive and accomplished financial leader whose experience spans corporate strategy, capital deployment, and investor engagement," said H. Lawrence Culp, Jr., Chairman of the Board of Directors, GE HealthCare. "His perspective will further strengthen our Board as we execute on our strategy to advance precision care, accelerate our next wave of innovation, and create long-term value for patients, customers, and shareholders."

Mr. Desroches has served as CFO of AT&T since 2021 and plans to retire from the company on December 31, 2026. "As a global leader in precision care, GE HealthCare plays a critical role in shaping the future of healthcare and improving outcomes for patients worldwide," said Pascal Desroches.
